

Dress Code

LISA has no dress code. The **students are obliged to wear house shoes** (slippers-no black sole) in order to maintain cleanliness in the school building.

This rule does not apply if the caretaker attaches the "green shoe" to the school entrance, then the pupils may use the school building with the street shoes.

You can also see on the Info-screen at school (webuntis) if you have to wear house shoes or not.

Street shoes have to be deposited in the basement lockers. Lockers are allocated at the beginning of each school year. The students have to buy their own lock.

You can buy slippers at e.g. Humanic, Eiler, Deichmann, Salamander
